

SOUTHPAW SANS

A messy, charming, left-handed font for creative souls

ABOUT THE FONT

Southpaw Sans is a character-rich handwriting font that embraces imperfection. With quirky curves, loose lines, and undeniable personality, it brings the raw, real feeling of pen-to-paper marks into your digital toolbox.

Why "Southpaw"?

Because it was made by a lefty—and it shows (in the best way).

KEY FEATURES

- *Natural Texture: Authentic pen-style strokes with all the lovable flaws.*
- *Organic Personality: Uppercase, lowercase, numbers, punctuation, and symbols.*
- *Built-in Variability: Slight inconsistencies for an always-handwritten feel.*
- *Left-Leaning Style: Born from left-handed writing quirks.*
- *OTF Format: Easy to install, use, and enjoy in all major design apps.*

IDEAL USES

- *Creative Branding – Add a personal touch to logos, packaging, and online content.*
- *Social Media – Perfect for quotes, notes, and offbeat captions.*
- *Posters & Flyers – Loud, fun, and handwritten for maximum impact.*
- *Zines & Journals – A lived-in, notebook look.*
- *Stationery – For personal, heartfelt vibes.*

"THIS IS MY HANDWRITING. NO REALLY."
